

The unit of energy		Rubbing your hands hard on a rough surface makes	
--------------------	--	--	--

A bus going at 60mph		Energy can not be created nor ...		A falling ball loses	
----------------------	--	-----------------------------------	--	----------------------	--

A steel rope holding a car in the air		Used by a kettle	
---------------------------------------	--	------------------	--

Brakes in a car turn kinetic energy into ...		Radioactive material		Your breakfast	
--	--	----------------------	--	----------------	--

What you have in a battery		Brick on the top of a roof	
----------------------------	--	----------------------------	--

What you want to get out of a lamp		What teachers make too much of		In a power station, the generator turns ... into electric energy	
------------------------------------	--	--------------------------------	--	--	--

Made by a kettle		What a battery makes	
------------------	--	----------------------	--

A falling ball gains		Petrol		A stretched catapult stores	
----------------------	--	--------	--	-----------------------------	--
