

A bus going at 60mph		A falling ball gains		The unit of energy		Used by a kettle	
A stretched catapult stores		A steel rope holding a car in the air		Brick on the top of a roof		What you want to get out of a lamp	
Your breakfast		What teachers make too much of		In a power station, the generator turns ... into electric energy		A falling ball loses	
Radioactive material		What a battery makes		Energy can not be created nor ...		Brakes in a car turn kinetic energy into ...	
Made by a kettle		Petrol		Rubbing your hands hard on a rough surface makes		What you have in a battery
