

A falling ball gains		Petrol	
----------------------	--	--------	--

Radioactive material		Used by a kettle		A steel rope holding a car in the air	
----------------------	--	------------------	--	---------------------------------------	--

What you want to get out of a lamp		Rubbing your hands hard on a rough surface makes	
------------------------------------	--	--	--

A falling ball loses		In a power station, the generator turns ... into electric energy		A stretched catapult stores	
----------------------	--	--	--	-----------------------------	--

What teachers make too much of		Brick on the top of a roof	
--------------------------------	--	----------------------------	--

What a battery makes		Made by a kettle		Brakes in a car turn kinetic energy into ...	
----------------------	--	------------------	--	--	--

The unit of energy		What you have in a battery	
--------------------	--	----------------------------	--

Your breakfast		Energy can not be created nor ...		A bus going at 60mph	
----------------	--	-----------------------------------	--	----------------------	--
